

CRAFTSMAN COLLECTION

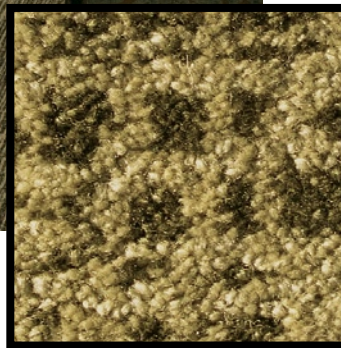

Linen - Studio Collection

The naturally crafted beauty of linen is defined by the irregular striations that give it a hand made look. This timeless texture is captured in a 100% wool product with a low profile dense construction that will complement any home. Choose from 9 standard shades that demonstrate the range

of color combinations, from tonal to contrasting. Or create your own signature from 30 wonderful colors by combining two for a custom look.

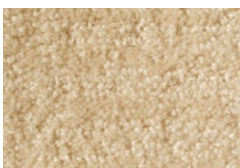

Available as broadloom or combine with another pattern for area rugs.
