

CRAFTSMAN COLLECTION

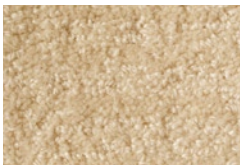

Trelliage - Studio Collection

The timeless elegance of a lattice design in a medium scale pattern. A look that never goes out of style is now offered in a palette of shades that allow the design flexibility to match any color scheme. A solid color will provide a soft, delicate, and subdued pattern for an understated backdrop. Or choose from 30 wonderful colors or create your own selection by combining two for a custom look. Available as broadloom or for area rugs.
