

# SHAGTASTIC COLLECTION

## *Improvisation II*

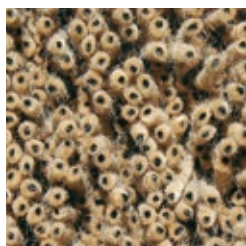

The unique and distinctive style of Improvisation II is created using exclusive 'core-wrapped' yarn; one color wrapped around an accent center for an eye-catching look with a texture and style of its own. This exciting yarn is also available combined with other yarns in the Series 1000 collection as well as in custom combinations of your own creation. Improvisation II is available in six fashionable colors.
