

SISAL COLLECTION

Abba

One of the most distinctive weaves in sisal uses heavily tweeded sisal yarns in a small scale basketweave design. The range of natural hues help hide soil and gives the style a rugged look. Also available are a variety of edge finishes to create a custom area rug. It is important to note that careful attention and professional quality installation are recommended for woven sisal products.

Fiber Content: 100% Sisal
Width: 13 feet 2 inches

actual size
