

# SISAL COLLECTION

## Native

100% sisal in a primitive weave with the look of a hand-crafted texture. A rugged basketweave design is enhanced by the use of two color weaving. Simple tone on tone shades are reversed to create two distinctive colors. Pair this product with any of our edge treatments and we can manufacture a custom area rug to add the final touch to any interior.

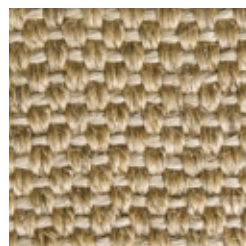

actual size

Fiber Content: 100% Sisal
