

SISAL COLLECTION

Playa

Using premium sisal yarns we have created a more refined texture in a small scale basketweave pattern. Three natural shades have just a hint of tweed to help hide soil and stain. This style is great for wall to wall or combine it with any of our edge finished to make a beautiful area rug.

actual size

Fiber Content: 100% Sisal

Width: 12 feet

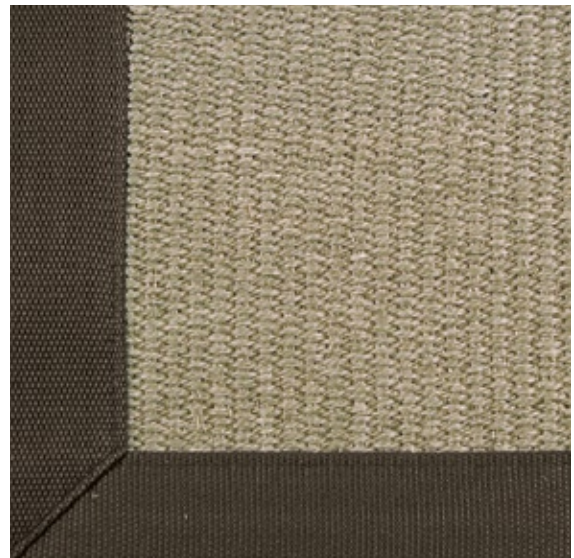

□ 1820 Brass

□ 1840 Old Copper
