

Bold stripes with a slim accent keeps this pattern a classic. You can use any of our heather shades or vibrant bold solid colors in 4 colors as shown here or up to 8 colors for a striking centerpiece of a rug. Contact us for help creating your sample. Each style is custom made to order, including your sample for approval.

Collection: Striped
Rugs

Yarn Requirements:

You can use any of the yarns below in either an all cut, all loop, or cut and loop pile constructions. We can even raise the pile height of the pattern for a relief effect. There are so many texture options that if you want to create something a little different just ask you sales representative and we will take it from there. Your sample will be made to order.
