

Using a thicker line to create a bolder design for a contemporary or transitional interior. Available in cut, loop, of cut and loop pile constructions. Each style is custom made to order including your sample for approval.

**Collection:** Patterned  
Rugs

**Yarn Requirements:**

You can use any of the yarns below in either an all cut, all loop, or cut and loop pile constructions. We can even raise the pile height of the pattern for a relief effect. There are so many texture options that if you want to create something a little different just ask you sale representative and we will take it from there. Your sample will be made to order.
