

With over 150 standard yarns in-stock and readily available in a wide range of colors, our ability to custom combine them in textures and colorways created uniquely for you is virtually without limit. Additionally if the standard shades aren't just right, most of our yarns can be dyed to the exact color you desire and all can be crafted in dense cuts, bold loops, flowing shags or custom patterns. Finally, our award-winning response and quick delivery times are the benchmark of the industry. Please contact Unique or your Sales Representative for details.
