FLOOR DISPLAY

This **UNIQUE** display features our **BESTSELLING** textures and the widest variety of price points all stocked in our California warehouse.

- Heavy gauge steel finish in a sophisticated neutral gray shade offers maximum styling with minimal footprint.
- Lifestyle graphics fit into precut channels to add consumer attraction while covering pins for later expansion.
- User friendly folders (not included) are displayed on the shelf below for a more upscale loaner presentation. This eliminates the need to remove the larger boards for use as loaners.
- Dimensions: 78" high, 24" deep, 47" wide.
