

# NYLON FLOOR DISPLAY

This **UNIQUE** space-efficient display features our collection of Nylon products, all manufactured here in our California Facility.

You haven't seen Solution Dyed Nylon like this! This simple and space efficient display holds up to 10 styles and is made for our 100% C.F. Type 6.6 Nylon textures. All made from the best nylon available, then our yarn is twisted a little tighter than other mills. The result is a lower "wool like" luster with a more dense feel than our competition. Now add our high count backing for superior longevity and ease of installation and you have something to show a customer.

- Durable, heavy-gauge steel construction in an understated matte gray finish.
- Accommodates up to eight Unique 100% C.F. Type 6.6 Solution Dyed Nylon product samples.
- Compact design uses less than four and one half feet of floor space.
- Dimensions:  
WIDTH: 21in.  
DEPTH: 30in.  
HEIGHT: 52in.
